## Monthly Sacred Teaching: LOVE

During the month of May, we focused on the sacred teaching of LOVE. Love is being at peace with yourself and being able to express love to your family, friends, and community through your actions and words. Love is considered the greatest and most powerful medicine and healing agent. Remember to love all people and all creatures of the world and this love will be returned to you. The Eagle represents Love as it could reach the highest to see clearly.

### June: A time to Celebrate!

For the month of June, we will focus on celebrating our accomplishments over the year. We want you to identify ways that the seven sacred teachings and the values have helped you learn and grow. Over the next few weeks, we will be building a school-wide display that will let everyone know why we are proud to be a part of Onoway elementary school and how every one of us makes this such a great place to be!!

## Michelle Salt

Onoway Elementary School was able to host Paralympian Michelle Salt! She is a "2x Paralympic Snowboarder, Skidoo Ambassador, One-Legged Skydiver, Calgary Realtor and Storyteller."

It was our first whole school assembly in over two years and a great way to bring everyone together.

Michelle shared her story of courage, resiliency, bravery and the ability to pursue dreams and push through trials.

Thank you to Lac Ste Anne County FCSS for their support in bringing Michelle's inspiring presentation to NGPS students!

# ARTICLE

Where two or more individuals own a business together but have failed to organize a more organized form of vehicle, they will be treated as a general partnership. The terms of a partnership are usually governed by a partnership agreement if one exists in writing, and orally by the law of the state in which the partnership is located. It is important to have a partnership agreement, as it is the only way to define the relationship between the partners and to avoid the legal consequences of a general partnership.

# Being Active at OES!

I can't believe May is done already! This month has flown by. Grades 4-7 started their Spikeball league which has been a great success. 140 students are involved! WOW! The Grade 7 Running Club wrapped up, with its final run commencing on Track and Field Day, which took place on May 17th.

Congratulations to all of the Running Club members on completing your final run and for participating in an activity that is so healthy for your body, heart, and mind. The Grade 3 through 6 Running Club started up right after the closing of the Grade 7 club, hosting 120 eager students. WOW! We look forward to working with you all towards your end goal of 1km or 3km at Sports Day on June 20th.

The Grade 7's all participated in their annual Track and Field Day on June 17th. Not only did the Running Club members complete their final runs of 1500m or 3000m, all other grades 7 students participated in events of their choice. These events included: 100m, 200m, 400m, and 800m runs; hurdles, long jump, and high jump; and discus, shot put, and javelin throwing events! Congratulations to those athletes that ranked top two in your event - you are coming to GCAAs to compete again other schools on June 10th!

Mission Impossible has officially started at OES and students LOVE the challenge. All students from Kindergarten through grade 7 get a shot at saving the poor penguin and completing the course.

# Lemonade Day!

## How Can I Get Involved?

Everyone is welcome to be involved with Lemonade Day Northern Alberta. The organizing committee is looking for sponsors, mentors, and volunteers to make Lemonade Day Northern Alberta a success! Lemonade Day entrepreneurs - the kids in our community - will be looking for investors, a place to set up their stands, and customers to support their first business!

Lemonade Day Northern Alberta is a not-for-profit organization with all funds collected through local donations and sponsorship used directly to support Lemonade Day Northern Alberta.

## What Does A Participant Do?
