We're thrilled to report that our morning toast and fruit initiative has been a great success so far. In just one week since launching it, we've seen an incredible response, with around 120 students participating daily. We're incredibly grateful to all the volunteers who helped make this possible.

# Looking for clothing donations

Greetings! At our school, we actively seek extra clothing to address the occasional mishaps that are part of student life - a sudden spill, nosebleed, or any other unexpected incident. Currently, we are experiencing a shortage of pants for our K-3 students. Also, with winter approaching, we are in need of jackets and snow pants of any size to keep our little learners warm and protected. Please drop off any donations at the school office. We would be immensely grateful for your contribution.
