Looking for Clothing Donations

At our school, we actively seek extra clothing to address the occasional mishaps that are part of student life - a sudden spill, nosebleed, or any other unexpected incident. Currently, we are experiencing a shortage of pants for our K-3 students. Also, with winter approaching, we are in need of jackets and snow pants of any size to keep our little learners warm and protected. Please drop off any donations at the school office. We would be immensely grateful for your contribution.

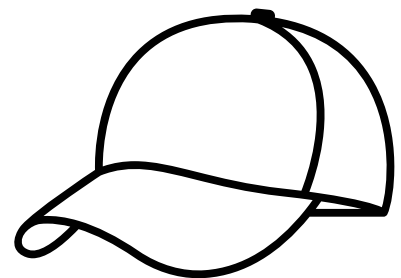

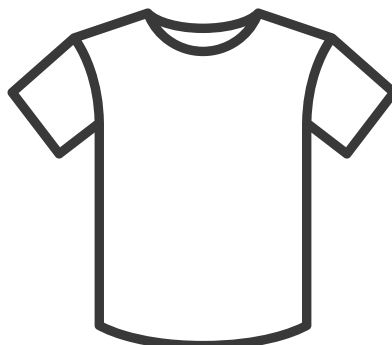

End of day student pick up

Please DO NOT park along the road and leave your vehicle when picking up students after school. Please wait in the queue and drive to the loop; your child will be waiting there with the supervisor. If you must leave your vehicle, park in the designated visitor stalls or at the top of the hill and walk down. Parking along the road blocks the pickup loop line and causes congestion.

Spirit wear clothing

The sizing kit will be at SPTI's!

OES ATHLETICS

Huge shout out to our Cross Country Running Club members who competed at zones this past Wednesday. They all did amazing and showed outstanding Sportsmanship.
