HIGHLIGHTS

May was an exciting and enriching month at our school, filled with meaningful activities and memorable experiences. We were proud to host a Bullying and Conflict Resolution Parent Session, fostering important conversations and community involvement. Our Grade 7 students showcased their athletic talents during their Track and Field meet, with several students advancing to Zones—congratulations to all participants! We also took part in significant awareness initiatives including Hats On for Mental Health, the Moose Hide Campaign, and Bear Witness Day, each helping us build a more caring and informed school community. Students have been enjoying a variety of engaging field trips, and we began our final round of swimming lessons. Our Grade 7s had a great visit to Onoway Junior Senior High, getting a glimpse of the exciting path ahead, while our Grade 6s have been focused and determined as they begin their Provincial Achievement Tests. What a fantastic month it's been!

SPORTS CORNER

On May 27th, 22 of our Grade 7 athletes traveled to Mayerthorpe with Mrs. Moser and Mr. Dickner to compete in the GCAA Track and Field Meet. We're proud to share that 17 students qualified for zones—an outstanding achievement!

A huge shoutout goes to all participants for their determination, sportsmanship, and support for one another under the blazing sun. Many athletes achieved personal bests, and the positive energy throughout the day was incredible. Whether it was the thrill of the events or the excitement over the food trucks, it's safe to say everyone had a fantastic time.
