

## Welcome to the Bite To Eat Hot Lunch Program!

We are excited to be providing the staff and students of Onoway Elementary School with hot lunch this year. We will be offering hot lunch on Fridays starting on October 3rd. We provide a wide variety of homemade and delicious menu options that are prepared fresh daily and with quality ingredients. We offer 19 standard options as well as 2 specials that change every week. You may choose as many items as you would like per date.

Our program is run on a monthly basis to allow us enough time for placing food orders and to print lunch labels. You will find a list of all monthly ordering deadlines on the Welcome Page on the hot lunch site, and we will send out reminders via email as well as in the school newsletters.

If your child has any allergies, please note them on their profile. We are able to adjust some of our meals according to their needs. If the allergy is severe, please email us at [info@bitetoeat.ca](mailto:info@bitetoeat.ca) so that we can make a safe plan for your child.

You can begin placing orders starting September 2nd by visiting our website [www.bitetoeat.ca](http://www.bitetoeat.ca) under the Hot Lunch tab, or by visiting [onoway.hotlunches.net](http://onoway.hotlunches.net). The first deadline is Friday September 26<sup>th</sup>, so please place your orders as soon as possible.

We look forward to serving your school this year. If you have any questions about our program, please feel free to email us at [info@bitetoeat.ca](mailto:info@bitetoeat.ca).
